

Bassin' for Kids
April 11th, 2009
Upper Castaic Lake West Ramp

A small but enthusiastic group of seven teams showed up to compete in the 3rd annual Friends of Castaic Lake Bassing for Kids team tournament to benefit the lake's Jr Lifeguard program. The day started out cold and windy and those conditions prevailed for much of the day.

1st place Paul and Crystal Vogler

2nd place Don Robidoux and Dave Keyes

Taking 1st for the second year in a row was the father and daughter team of Paul and Crystal Vogler with a four fish limit totaling 10.62 lbs, led by the event big fish of 3.25lbs. This gave them a check totaling \$961. Great job once again!

Worthy of mention were the 2nd place finishers. Dave Keyes was, for many years, the best weighmaster in Southern California, and worked along side Ron Cervenka for many years on the staff of the WON BASS Southern Cal region. On this day Dave teamed up with Don Robidoux for a four fish limit of 8.58lbs, a check of \$134, and some great looking plaques. Great job guys!

A big thanks goes out to our great sponsors who made the after tournament raffle so successful. These include Randy at Roboworm, Steve and DeLynn Davies of Team Davies Tackle Company, Roger Larocque of Perigrine 250 boat wax and spray, and Ron Cervenka of Huddleston Deluxe. A special thanks to Ron, as he was not able to

fish the event but still came out to donate several valuable items for the raffle, including an Ardent culling system. Thanks Ron!

Thanks to the tourney staff of Mike Iljin, Nick Langer, Karl Kratzer, and of Course Mr. Cervenka, who showed up just in time to help out with the weigh slips (thanks again Ron)! Thanks also to Pete Carisossa, Flo Lawrence, and Carl Haddix Of the FOCL for the great chili dog cookout they hosted after the tournament. A great time was had by all!

Thanks again guys!
