

GOING TO THE CIRCUS

CASTAIC LAKE'S ANNUAL HAUNTED HIKE

CALL: 661-257-4050 OR VISIT: CASTAICLAKE.COM FOR MORE INFO!

Surrounded by twisted trees and eerie silence, the moon casts a dim light on the dark path you and your friends follow through a carefully calculated trap. The Ringmaster lurks in the shadows with his circus clowns, forcing you deeper and deeper into their brutal mazes. They stalk you in their “Paranormal Pumpkin Patch”, “Grim Graveyard”, and other mazes haunted by those they’ve tortured. All to capture you in a circus tent, draped in tattered fabric and adorned with flickering lights, their terrifying “Circus of Mayhem”! Are you ready for a spooky adventure? Join us on our Halloween Haunt for a scream filled, heart pounding hike to the circus!

WARNING: Clown Phobia (aka Coulrophobia) is no laughing matter. This irrational fear of clowns can cause panic, nausea, or fainting.
